International Student Advisory Board
Meeting with sub-committee chairs

Purpose of meeting:
• To draft a well defined goal for the entire board for this academic year
• To evaluate the progress of the board and committees
• To discuss the role ISAB should play regarding the Jao incident

Outcome:
• We agreed on common goals for the board
• We received feedback on how to improve general board meetings
IPOG Meeting

The first IPOG Meeting was held on Tuesday November 6th

Meeting structure:
• Presentation from Dr. Altamirano about OIP/ISSS
• Presentation from co-chairs & committee representatives
• Small group discussions with IPOG members

Feedback and suggestions from IPOG:
• Jacky (A&E)
  • Wharton undergraduate associates director’s interest in previous survey results and the upcoming survey
  • Discussion with manager at student employment office about non-work study jobs for international students and how we can help
IPOG Meeting

Feedback and suggestions from IPOG:

• Opemipo (Outreach)
  • Better dialogue, in particular better follow-up to our proposals.
  • A few IPOG members suggested that they could be invited to ISAB meetings to strengthen communication between both groups

• Chunchun (LTP)
  • IPOG members wanted to know what ISAB envisions for the international community and encouraged ISAB to take the lead in defining long-term goals for international community
  • Winter housing: Admin appreciated the urgency for this and gave suggestions such as hotel coupons for international students
IPOG Meeting

Feedback and suggestions from IPOG:

• Frederick (LTP)
  • IPOG members believe ISAB has more potential for influence when it comes to big-idea goals
  • IPOG wants to also bring issues to ISAB’s attention so that we can lobby from the student side
  • ISAB should utilize our direct line of access to Dr. Emanuel
  • Admin excited about ISAB becoming more visible to students
