

FALL 2021 SEMESTER ABROAD

College Programs

Asia

- Chinese University of Hong Kong (CUHK)
Students take courses taught in English from a variety of career fields.
- Hitotsubashi University, Japan (Four semesters of Japanese required)
Students can take courses in English or Japanese.
- Kyoto Consortium for Japanese Studies, Japan (Two semesters of Japanese required)
Students enroll in a Japanese language course in addition to coursework taught in English.
- National University of Singapore (NUS)
Highly ranked global research university with over 30,000 undergraduate students.
- Yonsei University, South Korea
Students can take courses in English or Korean from a wide variety of disciplines.

Europe

- Reid Hall, Paris, France (French 202 required)
Students take specially developed courses taught exclusively for the program as well as enroll in courses at local institutions in Paris.
- Penn Semester in Lyon, France (French 202 required)
This unique program allows students to take courses at Lyon 2 and Sciences Po Lyon with a cohort of Penn students.
- Bocconi University, Italy (Italian 110 or 112 required)
Located in Milan; considered one of Europe's top Business and Economics institutions. Open to Economics or Mathematical Economics majors only.
- Bologna Consortial Studies Program (BCSP) (Italian 140 or 202 required)
Students will choose a combination of BCSP Italian language courses and content courses, and direct-enroll University of Bologna courses.
- Berlin Consortium for German Studies (BCGS)
In addition to the courses offered by BCGS, students can enroll in courses at the Freie Universiaet of Berlin.
- CIEE Lisbon, Portugal (Two semesters of Portuguese or four semesters of Spanish required)
Students can enroll in a variety of courses in both English and Portuguese.
- CASA Sevilla, Spain (Spanish 219 or 223 required)
Students enroll in two CASA Center courses plus three direct enroll courses at the University of Seville.
- CASA Trinity College Dublin, Ireland
Students have access to individualized academic advising.

United Kingdom

- Queen Mary University, London
Students in the UK have ranked QMUL as the top university for student experience.
- London School of Economics (academic year program only)
Students in the General Course may take any of the 300+ courses offered, if pre-requisites are met.
- SOAS, London
Combines language study and disciplinary expertise and hosts one of only five national research libraries in the UK.
- University of Edinburgh, Scotland
Edinburgh is a vibrant, student city with great access to nature, history, and city life.

Academic Information

- College students are encouraged to take a combination of major courses and electives abroad. Foundations and Sectors are not commonly fulfilled abroad.
- Students meet with a home school academic advisor for study abroad to provide study abroad approval.
 - Email the appropriate home school academic advisor for study abroad to receive further instruction on scheduling an appointment.
 - Wharton and SEAS students studying on a College-only program will seek study abroad approval from their home school.
- On [XCAT](#), Penn's External Credit Approval Tool, students search for pre-approved classes ("precedents") for a particular host university or submit a new syllabus for approval.
